

## DISPELLING THE DARKNESS

Jesus was born into a hostile world,  
Full of darkness and spiritual night  
Driven by love and amazing grace  
He came to shine His light

He knew His mission, He knew it well  
To rid the world of sin  
He knew the fight would cost His life  
As he entered the devil's den

For evil is a ruthless foe  
No mercy, no pity, from this heartless boss  
It will murder a baby in the womb  
Or God upon a cross

He came to set the captives free  
Which would not be an easy task  
And He knew the fight would cost His life  
But he wouldn't take a pass

So if you say you follow Him  
Be prepared to join the fight  
But know the battle is not yours  
It's still His war to fight

And fight He will, through men like you  
When you spiritually ball up your fist  
In total abandonment and absolute trust  
For such a time as this

Christmas is a time of love  
A time of peace and light  
But never forget it cost God His Son  
And it cost His Son His life

So, Man of God, don't be ashamed  
When they point at you to see  
If you are one who belongs to Him  
Say, "ABSOLUTELY!"
